BIRTH. On the 26th instant, at the residence of T. I Authory, Esq. No. 8. West Terrace, the wife of Captain W. ELLIOTT JARVIS, of a Son. [1539

HONGRONG, SEPTEMBER 27TH, 1876.

WE have received communications from several correspondents-one ever advertises his complaint-regarding the bawker nuisance. By Section III. of Ordinance No. 10 of 1872, hawkers are forbidden to utter cries or make other discordant noises for the purpose of attracting attention to or disposing. on their pares, under a penalty not exceeding with our Government and it was resend to twenty-uve dollars, in certain parts of the complainant and tentative, and after a trial of five years the series of the amount of 140,000 years the series of the amount of 140,000 years the best teak or sound hardwood, the plants and tentative, and after a trial of five years the series of the amount of 140,000 years and after a trial of five years the series of the amount of 140,000 years the series of twenty-five dollars, in certain parts of the City | supply the Chinese with the quantity of rice hends No. 5 District, Queen's Road, the Praya, no doubt induced the Chinese Government to Bonham Road, and the District to the south look for supplemental supplies from Japan. of it. This regulation is well known both to the bawkers and to the solice, but it is systematically intringed in almost all parts on Monday evening, in connection with the Jardine Matheson, and Co. the slip formerly be was on deck yesterday morning. At break- country. The French will work so se to develop been founded. of the town. We can bear syidence to the fact that it is habitually set at nought in the eighty persons, the injurity of whom were these lighters upon, while they were actually He knew nothing of the assault. The steward block at the back of Wyndham Street, and soldiers and sailors, partock of the repast. paying a rest for it themselves, This was not was under the influence of liquor. He saw the Le made to feel that all the measures arena, containing about 1.056 taubo, is walled Aug. 5, previous to the departure of the expediworse. The Chinese and Indian constables was a large attendance at this, many who were very day they were taken over by the Doole sole to walk about. seldom take my notice of these percerinating unable to be present at the time tea was served Company, and beforethey had been tested or any offenders, and embeldened by impunity the sided, and in opening the proceedings gave a staunch and strong and suited for the purpose latter give vent to their excruciating noises sketch of the progress under for which they were built, Amow was paid his Achong, fisherman, Ho Asam, Obcong Ases, with unabated vigous in prohibited districts. in Hongkong during the four years it has money. Notice was then given to the Messa- farmers, and Chan Ayin, fisherman, with breach la the presence of a European they become tion of the first lodge, the Houghong, nine ready, and calling upon them to take delivery. also Ordinance I of 1862, Section XV., in this dumb directly, a good proof that they are bundred members have been initiated, and the complex of the Harbour on the 25th instant in not stopping well aware that by uttoring these cries they order is now, he said, well established. The French company, Mr. Barros, was instructed to when he fled by the police bont; also with are breaking the law. But as the European constantly varying in sympathy with the more- were staunch and all right. Mr. Barros found. The constable said be some on duty last night constables do duty over only a limited ments of the military and the shipping. The they made un inches of water in from from 6 to 12 o'block. At 7.30 he saw a Ohin able to exercise their lungs or use their Lodge, 30; the Hongkong Lodge, 36; and were thrown on the Company's hands. In He pulled up to the boat, boarded her, and wrolched instruments for exciting attention the Victoria Lodge, 87. Of these thirty consequence of that the Company took their found forty-seven balls of oplum on board, a. tops, 546-horse power, all of which are uttached the company took their found forty-seven balls of oplum on board, a. tops, 546-horse power, all of which are uttached the company took their found forty-seven balls of oplum on board, a. tops, 546-horse power, all of which are uttached the company took their almost without hindrance. It is really too bad that a parcel of fellows should, through The entertainment was a very pleasant one just like a collander. There they were then of the boat he had neither license nor elegrance. the lazy indifference of the Indian and native police, be suffered to set the Ordinance at defiance and be a nuisance to the European community. Practically the Ordinance has off, as we shortly noted in our last, when Mr. wood, patched here and there, short pieces, some regulations, and that they did not know combecome a dead letter. Surely it is not too seemen belonging to the plants being longing to the plants being the plants being the plants being to the plants being the plants being to the

up to perform their duty in this respect They are numerous enough, and ought-to be able to restrain the hawkers. The noise emitted by these men is peculiarly objectionable, more especially to invalide, and there is no possible reason why it should be winked at. Instructions should be issued afresh to the force to promptly arrest any offender and supervision ought to be exercised over the constables to see that they do not permit any such offence to pass unnoticed. It is most unreasonable that the quiet and peace of the Chinose hawkers consider necessary to andoutly of the noise by which the hawking recover the value of goods supplied. A petition fraternity generally seek to render hideous, however, there are far too many marine hawkers. These fellows are, unlike asked for judgment. All the cases were proved, the vendors of comestibles and useful articles, costs of little real use. Great numbers prowl about the servants' quarters in the European part of the town and frequently tempt them to s cal things from their employers. Many trifles that disappear at various times find their way into the baskets of these fellows, to whom nothing comes amiss, and who make cries and hawkers' offences urgently needs will shortly inquire into the matter and take under which this suit was brought were similar. active measures to abate the nuisance complained of.

Tue Futai of Fohkien has replied to the communication addressed to him by the Foreign Consuls at Foochow on the "Tea Dust" question. His reply, a copy of which will be found in another column, is charachis readiness to assist in putting an end to ing that foreign merchants who have embarked unlimited capital in business with the Chinese people are entitled to be trented order was issued. with justice and fairness in all their transacto the matter, to refer to regulations which before the Court. have hitherto existed, and to issue proclamson the part of native dealers, and exhorting HARKOW and | Messes. Hall & Holtz and Kelly | the growers to use proper care in picking the leaf. It is to be hoped that the Futai's prompt action may be productive of good, pernicious, and calculated to injure trade. The foreign merchante must, of course, do said he had taken the cont back, because plainstandard and inflicting a fine upon those teas which contain an undue amount of dust. The encroaching nature of the Chinese is well

The onils were of oxy appearand did not hold at all in some instances. The work and material were so bad that the vessels bad to be taken into

dook two or three times before the Messageries Maritimes would accept them, or they were fit for delivery. The company had behaved most leniently to the defendant and tried to settle this matter amicably. The charges in the particulars wers not those that would be obarged to a stranger. They were only charging the ectual first cost, not adding one particle of profit. The only items which could be so called were the three last items and they were I'z the bire of the dooks. The company considered that as the docks had to be specially devoted to this particular purpose and that they were unable to take any other vossel in at the time, they could not afford to lose that amount, The amount of the contract with the French Company was 25,700, and the Dock Company had no exharbitant profit as the amount of their contract with defendant was \$5,200, leaving them only the moderate profit of \$500 on each lighter. Now, as it had hanand judgment was given for the plaintiffs with pened, the Dock Company bad not only made no profit whatever, but had been at a very heavy loss, because there was \$1,552 which they had actually paid for putting these boats is order. And they had been lying out of that money for a very long time, Mr. Amow baving. been puid the very day be handed the boats

EXTRACTS FROM "SIXTY-NINE

YEARS AT THE COURT OF PRUSSIA." Kustrin and Stettin, and Dantsic, where, on BY THE COUNTESS VON YOSS. THE "LOVES" OF PREDERICE WILLIAM. It is not to be expected that Countess you In 1786 the Great Frederick died, end was Voss, who had care of the Royal children in aucceeded by Frederick William, the second their flight, should be very measured in her on of that Prince Augustus to whom the language. On the 18th of November we read Countess had been so dear. That affection "Nagoleon is trying to get up a revolution in was known to all the world, and only made Poland. He is a monster. May God the new King more inclined to favour her destroy him!" She was then, as far as we whom his father had adored when a charming can make out, at Königsberg, and the Queen Maid of Honour, and whom he had himself at Graudenz; but on the 9th of December known in all the pride of her mature beauty. the Queen rejoined her children in a very We wish we could add that all the affections suffering state. All this time negotiations of the King were as worthily bestewed as were going on with Napoleon, whose condithat sentiment which drew him towards the tions were most severe and insulting. At Countess. Frederick William II. of Prussia | the same time he was operating against the was first married, in 1765, to a Princess of Russians, who fought bloody but inoffectual Brunswick, but was divorced from her by battles. So the winter passed away in doubt order of Frederick the Great. In 1769 he and dread, fortress atter fortress of the married a daughter of the Landgrave of Prussians falling into the hands of the Hesse Darmstodt, but the union was not a French. Then, in the June of 1807, came happy one. The turn of the King's nature, the meeting on the raft at Tileit, on which unchecked by any principle, threw bim into occasion we hear that " this miserable Nalove adventure after love adventure. His poleon treated the King with deliberate nefirst love was Fraulein Enke, the daughter of gligonce and coldness," so that the poor a poor musician, and she may also be said to Monarch, or, as his Conqueror called him, have been his last, because she maintained a "the good regimental tailor spoilt," wrote baneful ascendancy over him which was only " very excitedly and indignantly" to his wife interrupted and never entirely extinguished about it. Then, on the 3rd of July, "We by his successive attachments. One of his received orders from the King to go to Tilearliest victims was Julie, a nicce of Countess sit;" and to Tileit they went, only to find that Voss, while Frederick the Great was still "the Emperor Alexander behaves with more alive. This young lady appearing at Court than weakness; it is painful to say so." All in 1783, was instantly pounced upon and this time the Queen, much the better horse pursued by the princely Lothurio. In the of the two, behaved bravely. On the 6th of hard fate of her niece the Countees beheld a July they reached Tilsit, and alighted at the current financial year is £78,412,000, and repetition of her own, except that while she King's quarters, who had been kept dancing there seems every probability this buge sum had successfully stifled her passion and attendance on Napoleon. A quarter of an will be considerably exceeded. Yet Sir Staf- become a virtuous wife, the unhappy hour after their arrival came the French ford Northcote had to plead national poverty Julie, who was very beautiful, after pro- Emperor, and this is what he looked like to the other night, when saked by Lord Elcho Lusting and resisting, while her nunt Countess you Voss :--THE PERSONAL UGLINESS OF NAPOLEON. "I received him, with Countess Tauenzien; man, it will be remembered lately sacrificed Prince's conduct" too bad," at last, when the at the foot of the staircase. He is excessively his own life to save those of the passengers Prince became King in 1786, threw herself ugly, with a flat, swollen, sallow face; he is by the Flying Dutchman, on the Bristol and one day into her aunt's arms, declaring that very corpulent besides, short, and entirely Exeter Railway. Unfortunately he had not she would benceforth "belong to the King without figure; his great round eyes roll insured his life -- heroes are rather apt to be from duty and from love." Soon after this gloomily about, the expression of his face is improvident, in their absorbing regard for followed the most extraordinary arrangement, severe: he looks like the incarnation of Fate. other falks interests and the consequence whereby the Queen, for the sake of getting Only his mouth is well shaped, and his teeth was that his family were plunged into abso. rid of Fraulein Enke, gave her consent to a are good also. He was extremely police lute destitution. As the public subscription left-handed marriage between her husband t lked to the Queen for a long time alone, that was set on foot brought in only £3 17s., and Julie. It appears, too, that this mor- and then went away." That same night they there remained nothing for it but an appeal gapatic alliance was celebrated by the Court dined with him, and the poor Queen went for government assistance. To which the Preacher Zöllnör in the Boyal Chapel, and back to her busbaud's quarters with the con-Chancellor of the Exchequer had to answer the Berlin Consistorium declared it to viction that she had won the Conqueror to that "government had no funds available for be an allowable proceeding on the precedent better terms of peace. It is well known that rewards in cases of this kind," at the same of the permission given by Melancthon to the next day Napoleon forgot all his promises.

time suggesting that application should be louble marriage of the Elector of Hesse, and treated the King brutally. The next made to the railway company. We are rather Then Julie received the title of Countess of night the Queen and her ladies dived with disposed to believe this would prove a pure Ingenheim, and in due time gave birth to a him again, when "he appeared confused, and waste of time. Altogether there appears son. The King showed her the greatest at the same time looked malicious and every chance that the reward of heroism in affection. But this ill-starred alliance was spiteful." After dinner the Queen again conthis instance will take the form of indoor not destined to last long. Julie fell into a versed apart with Napoleon. On taking relief. Would it not be as well, therefore, if galloping consumption after her child was longe, she said to him that she went away a small sum were set saids annually in the born, and, on the 25th March, 1788, died so feeling deeply that he should have deceived estimates for such purposes? Germany, a suddenly that there was some suspicion that her. "My poor Queen, she is quite in descomparatively poor country, does so to the she had been poisoned. Frederick William pair." Poor Queen, indeed! That brave amount of £52,000 a year, and yet her was "inconsolable," but within the year he woman died too soon to behold the vengeance financial position or her credit have not yet was consoled by a young Countess Douboff, which evertook the overbearing conqueror. one of his wife's Ladies-in-Waiting, and in a little while Julie was forgotten, and Countess . Soult and the French behaved as badly in Donhoff in every one's mouth. The Countess Berlin as the Austrians nearly 50, years be-The cedar stands at the head of the noble gave birth to two children, and then, owing for them. That was the way of conquerers family of cone bearers (Coniferm) i it stands 'o the intrigues of the infamous Fraulein then. They conveyed to themselves all that pre-eminent, although the array of trees of Enke, was banished from Berlin for ever, they could lay hands on, and broke and this order in English pinets is astonishing As soon as she was gone, in January, 1798, destroyed what they could not carry off. The both as to numbers and grandeur. Pealmist Fraulein Enke, now Countess Lichtenau, re- Countess's Diary is full of exclamations and and prophet have celebrated the dignity of turned to Berlin with her children by the interjections against the French. " Bad news this tree, and many of the ancient poets and King, and from that time until his death in from Berlin," she writes on the 11th of Octohistorious have been loud in its praises. 1797 exercised a most permissions influence ber, 1807; "the Fronch have sold the entire The wise and great had admired its stately over him. Strange to say, while the King stock of the Royal procelain manufactory grandeur, and it has been made the emblem was behaving in this way, we are informed General Soult is more shameless and insolont of a mighty nation reposing in settled by the Countess Voss that he was "univers. than ever;" and on the 11th of November, strength. Moses and Aaron used coder in ally beloved." That clearly was a Court and "I received the catalogue of all that the their sacrifices, and Solomon knew this tree | 1ge when ladies of quality thought that Kings | French have either despatched officially from so well that it is placed at the head of the wors not, so far as their love adventures went, Borlin to Paris simply stolen, as well from list as the first or most diguified among to be judged by the same rules as ordinary the Royal Palaces as from Potsdam, mostly

for the construction of his magnificent temple to 1792 he had marched into the field to ing, by Stoin's advice the Countess wrote to and palaces it well known. One of his restore the Bourbons to France and to stump Napoleon to beg that the French might leave palaces was called "the House of the Forest out the Revolution. The results of that came. Berlin, so that the Queen might be confined of Lebanon," from the great quantity of cedar paign are well known, the Prussian arms there. On the 25th of November Napoleon's wood used in its construction, but the Temple were humiliated, but, in the midst of the answer came from Paris-the French troops of Jerusalem was the great and glorious national serrow, Countess von Voss met with should leave the Eastern Provinces, but not work that should hold the cedar tree emobled a sorrow of her own, if it can be called by Berlin; as for the confinement, it might take and in everlasting remembrance; for the House that name. In the spring of 1793 she lost place t Konigsberg: "He is an unscrupulous of the Lord was roofed with beams and her husband, whose early jealousy had villuin," adds the Countess, and "this scourge, boards of cedar, and even the alters that avenged itself in later years by a life of this vile man, is permitted to crush and were overlaid with pure gold were built of pleasure and dissipation in the capital. All torment us." The next three years were the same sacred tree. The heathen poets through 1792 she tenderly nursed him, and hard to bear. The French held the capita have celebrated the coder as a nobic tree, the seems to have been sincerely sorry at his und fortresses, and permitted the King only wood of which was reckened incorruptible, death. She was now 64, and all wishes were the semblance of power and the skeleton of but whoever wishes for a graphic description to educate her only remaining grandchild in an army. It is well known how that skeleton of this notable tree should take his sent near the country. But this was not to be. In was used as a core out of which, after the some aged cedar with the book of the April, 1798, the Crown Hrince of Prussia Russian defeat of Napoleon, a whole army prophecies of Ezekiel in his hand, and then, was betrothed to Princess Louisa of Mecklen-sprang up to Prussia ready to aid in his calmily contemplating these two, he will enjoy | burg Strelitz, well known a little later for overthrow. In 1809 the Emperor of Austria the glowing grandeur of language of the her grace and beauty and misfortunes as declared war against Napoleon, only to sacred penman, when, by the spirit of God, Queen of Prassia. The King, who in the meet with the fate which had already he pointed in phrase of unparalleled sublimity midst of his amours, still retained his veneral befallen the Prussians. Up to that time the proud Assyrian marked for destruction, tion for his father's early friend, summoned Napoleon, according to Countess you Voss, under the similitude of a ceder by the her to Court to be Mistress of the House, wished to marry the Grand Duchess hold to the young bride, would take no re- Catherine of Russia, but she refused fusal, and wrote her a very decided letter on him. He now transferred his affections to the subject. So back to Court she came, and the House of Austria, and married the Arch Madame de la Motte shuddered : she was soon enchanted by the grace and beauty duchess Marie Louise. All this time the clenched her hands, looked down, and then of the Princess. Soon after Prince Louis weakness and vacillation, of the Emperor raising her head, "Very well," she said, was cut off by a gastic fever, Just then Alexander were a sore trial to his relatives in The two assistants, who had at first tried to the Mistress of the Household must have Prussic. Before Napoleon, the arch secure her, came forward, but she motioned been at her wits' end. The whole Royal enemy, returned from Elba, Countess von them away, and advanced before them; family were ill at once. The Queen Dowager Voss had passed away. On the 3rd of No When the procession resched the nall where was desparately il; the Crown Prince had a vember, 1814, she writes. "An unfortunate a purliamentary committee was sitting, the bad sore throat which turned to quinsy; the day for me. I had invited the Royal children clerk read out the judgment. At the very King had a bad cold, and Prince Henry was to tea. A leandle which I had placed too first words which proclaimed her guilt, the very ill. In the midst of all this the cross near a curtain set fire to the muslin, and strongest emotion appeared on Madame de old Queen died, to the great grief of the in less than a minute all was in flames la Motte's face. Her eyes rolled in their family, no doubt, but at the same time to and, alas! all burnt. My diamonds sockets; she bit her lips, and the hitberto their intense relief. By this time the King's and plate are saved, but almost everything pretty face now seemed to be the mask of a excesses and way of life began to tell on him. else, is lost." On the 12th of December fury. Charles Henri foresaw a storm and "He is failing," writes the Countess on the she wrote," I think a great deal of the approached her; and it was well that 7th of May, 1797. "I am in despair to see eternity which awaits me. A poor mortal he did so, for as the clerk came to the neual. how visibly he is changing." On the 4th of cannot grasp it. I am so near, and yet I ties, the unhappy woman's rage burnt our June we hear, "the King is worse again." cannot conceive it. No beginning; no end. with extraordinary violence. She fell back. On the 21st of June, "he was very bad." But the end, so lar as this world was conwards so suddenly that her head must have In July, after a visit to Pyrmont, he was corned, was near. On the evening of the been fractured on the stones had not my better again, but the disease was still there; 29th of December, while playing her usual grandfather caught ber in his arms, and on the 25th of September we read, rubber of whist, she was seized with paralysis, Madame de la Motte's strength increased as "The birthday of our beloved King. May and had to be carried to bed on her chair.

the conscionances of her fate flashed through God restore his health!" But it was not Hergood humour did not even then desert her, her mind; and a protracted struggle ensued to be; there were to be no more Julies and and she said checrfully to her partners as between her and the assistants who attempted Donnors. On the 5th of October, "They she was carried off," Do not cheat me." The to pinion her. She was at length carried say the King is very bad! On the 6th, partial paralysis soon became general, and on down to the court. The scaffold was erected "The King is weaker and thinner than ever; the 31st of December she died quietly. Of opposite the gate, which had been left open, his voice is so weak it is difficult to under- course she had a grand funeral, and the loss But it was six o'clock in the morning, and stand him when he speaks." After that he of so old and faithful a friend was greatly only a limited number of pursons were look. got worse and worse. At the same time the deplored by the Royal Family. So ended ing on. She was stretched on the platform. Countees Lichtenau was always with him. the life of one who was an eye-witness to the and received twelve stripes. She never On the loth of October we read, "If the greatest triumphs and the deepest humiliaceased shricking while the punishment was Countess, who is always with him, suffered tions of the Prussian Monarch. being inflicted. She invoked vengeance on it, he would willingly see his family often." the head of Cardinal de Roban; and she What slavery to be all a King! Then, on added that it was her own fault that she had the 16th, of November, "came an orderly suffered the diagrace which had been inflicted with the news that the King was dying," Advertiser is answerable for the following:on her, since, had she said but one word, she and at last came "the terrible news that "To judge from appearance, literature is not would have been hanged instead of having the King had died at Potedam at 9 o'clock." a very profitable profession. I had occasion been flogged. The second part of the So there was a new King of Prussia, and lately to spend a good deal of time at the sentence had no doubt escaped her, for when the old King was carried by men of the 1st Reading room of the British Museum Library she was seated on the platform sos remained Battalion of Guards to the Palace at Berlin, and of all the badly-dressed, unwashed, un motionless, as if completely subdued and and thence to the Cathedral, and was buried, shaven, unkempt persons ever collected in a powerless. Charles Henri Sanson thought and the Counters Lichtenau was arrested, public room, the frequenters of that library the moment was well chosen for the com- and the Court ladios rejoiced, and there were are certainly the secdiest. And yet a large pletion of the penalty. Her dress had teen big dinners and balls and Courts of conde- proportion are not the mere tank and file of torn, and her shoulder was bare; and he took lenge, and the new King and Queen made a the profession, mere literary backs and an iron from the grate and applied it to ber progress to Konigsberg to receive the homage penny-a-liners-names "familiar in our skin. Madame de la Motte uttered a wild of the East Prussians, and the poor Queen months as household words," men famous strick, and writhing in the grasp of one of bad frightful headaches, the Countess von wherever the English language is spoken are the sesistants who were holding ber, she bit Voss attending her and daily chronicling the there. But a single magazine article for bis hand with such fury that she took a piece | proceedings. The first years of the reign of which the publisher would pay ten guiness of flesh off. She struggled again, and it was the Royal couple were happy enough; eight would defray the annual tailor's bill of most with the greatest difficulty that the iron could obildren were born to them, and the Court of these celebrities; and, to the shame of the

sheep, the Royal family fled before him the 9th of November, they heard that Napolcon was at San Souci. In these circumstances,

THE SHOCKING WAY OF THE CONQUERORS. statues, pictures, china, vases, valuables, and works of art of every description. The list

The London correspondent of the Lynn be applied to the other shoulder. Justice was much improved in morality and for the craft be it said, there are few of its profession was now satisfied. Madame de la Motte was most part rid of left banded Counteres. At whose brain-work does not prevent their put into a fly, and taken to the Salpetriere, last, in 1805, Russia and Pussia resolved giving any attention to the exterior of their As she was alighting the fried to rush under both to go to war at once with the "Corsican heads. Most of them are promaturely baldthe wheels, and a few moments afterwards usurper; but the Corsican was too quick for most stoop—many are asthmatic. In society she thrust the sheet of her bid into her them. Before the Russians could come to they are often as shy and awkward as a Oscar Moore threat in a frenzied attempt to choke herself. the front, or the Prussians concentrate their senior wrangler; and, in point of fact, they sparkt Her imprisonment lasten ten months. From forces, ha crushed them at Jens. Thoir are, as a rule, pleasanter in their writings Tejo General was slain, their armies scattered like than to their persons
